2022 VERMENTINO

RIVERLAND

Winemaking

Vermentino's spiritual home is in Italy, where many believe it was their gift to the wine world. Its ability to thrive in hot and dry climates makes it perfectly suited to our sun-drenched vineyard in the Riverland resulting in a wine laden with stone fruit, citrus zest and refreshing acidity. Once physiological flavour ripeness was attained, harvest was undertaken in the cool of the night to retain fruit vibrancy ahead of transport to our winery. The fruit was destemmed and chilled to our bag press, with the free run portion retained, clarified and inoculated with an aromatic yeast for a cool fermentation that optimises varietal expression. Upon completion of ferment the parcel was sur lie aged for 2 months, to enhance mouthfeel and promote fruit forwardness prior to blending, filtration and bottling.

Tasting note

Tasting Note: Pale straw in appearance with a youthful green hue our Vermentino displays fragrant aromas of reveals fragrant aromas of orange blossom, poached stone fruit and a hint of lemon zest. The palate is plush and filled with generous flavours of honeydew, cantaloupe leading to crisp, juicy finish.
