Outback Jack

PINOT GRIGIO

2023

Winemaking Our 2023 Outback Jack Pinot Grigio was grown in the inland areas of the Riverina and Murray Darling. Warm, sunny conditions enabled development of optimum ripeness and fruit flavour. Harvested in the cool of the night, during the months of February and March the parcels were delivered to the winery for processing and fermentation in stainless steel vats, with a yeast strain selected to elevate aromatics and promote mouthfeel. Upon its completion, the wine spent a short time on sur lie before blending, clarification, stabilisation and bottling.

Tasting note Outback Jack Pinot Grigio displays lifted aromas of pear, apple and banana overlaying a fruit forward palate of nashi fruit, green apple and crisp, zesty acidity.
