

FINE AUSTRALIAN WINES

# RESERVE

## 2020 Coonawarra

# CABERNET SAUVIGNON

### Winemaking

Coonawarra received good winter rains leading into the growing season, which has highlighted the importance of the quality and quantity of underground water used to mitigate temperature and seasonal weather conditions. There was no significant crop loss due to heat, and canopies remained in excellent condition through to the end of harvest; significantly benefiting from the typically cool nights created by the Southern Ocean. After picking, parcels were fermented in rotary vinomatic fermenters for 8-10 days between 24°C and 30°C on premium French untoasted & toasted oak chips. The wine was then pressed at 0.5 baume through a bag press into stainless steel storage tanks and left to ferment until dry. After Malolactic fermentation, each parcel was clarified via centrifuge into stainless steel storage, then put into new and old French & American oak barrels. After 12 months we selected the best barrels and blended them, ready for bottling.

### Tasting note

The Reserve Coonawarra Cabernet has an impenetrable black cherry appearance with a vibrant garnet hue. The aromas are powerful and complex with a wealth of fruit ranging from ripe blackcurrant and fresh tobacco with subtle hints of choc mint. The rich and harmonious palate displays abundant flavours of blackberry and dark cherry that are underpinned by subtle toasty oak and defined by a firm tannin profile.

### Region

Coonawarra

### Wine Analysis

Alcohol: 14.10%      pH: 3.4  
TA: 6.64 g/l      RS: 4.0 g/l

### Style

Full bodied red showing abundant blackberry, dark cherry and light toasty oak notes.

### Food Match

Perfect with filet mignon or rich pasta dishes.

### Cellaring

This wine has been made to drink now but will cellar for 5 to 10 years.

Winemaker,  
James Ceccato
