SAUVIGNON BLANC 2023

Winemaking Our 2023 Metal Label Sauvignon Blanc is a blend of two quality regional grape growing areas – Padthaway and Riverina. The fruit from the warmer region of Riverina was harvested at the end of February in the cool of the night once physiological ripeness was achieved. The Padthaway parcel was harvested mid - March once the acidity was tempered and fruit flavours were at an optimum. The fruit was destemmed, chilled and clarified ahead of fermentation separately in stainless steel vats, using specialised yeast strains selected to elevate aromatics and promote mouthfeel. Once complete, the parcels spent a short time on sur lie before blending, clarification, stabilisation and bottling.

Tasting note A bright and lifted aromatic display of gooseberry, kiwi and guava, overlaying an enticing array of tropical fruits, mineral and lime zest flavours that cleanse the palate.

Region Padthaway SA (70%) and Riverina NSW (30%).

Wine Analysis Alcohol: 12.50% pH: 3.23
TA: 6.80 g/l RS: 2.0 g/l

Style Padthaway SA (70%) and Riverina NSW (30%).

Food Match Wonderful as an aperitif, that also pairs well with fresh seafood, Thai green curry, or risotto with asparagus and mushroom.

Cellaring This wine has been lovingly made to enjoy now but will benefit from careful short term cellaring.
