

BOTRYTIS SEMILLON

The Berton Vineyards Reserve range brings together wines from premium vine growing areas of Australia. Distinct climates and soil types develop the very unique regional characters displayed in this wine. Warm days, cool nights, rich soil and water from the Snowy Mountains create the perfect growing environment for this Riverina Botrytis Semillon.

It shows intense aromas of orange rind, apricot and honey. The palate bounces with orange, grapefruit and honey flavours that carry through to a beautifully balanced and persistent finish.

VINTAGE 2007
REGION Riverina
WINEMAKER James Ceccato

FOOD MATCH Serve slightly chilled and as a great compliment to blue cheese or rich puddings!
