

BERTON VINEYARDS

BERTON RESERVE 2014 CABERNET SAUVIGNON

The Berton Vineyard Reserve range brings together wines from regions that due to their distinct climate and soil have excelled at producing particular varieties.

Vineyard and Vintage: The Cabernet was picked in late April from the prized Terra Rossa region of Coonawarra. The Coonawarra received rain and then a heat wave in January and February, but thankfully the weather cooled down and this allowed the grapes to ripen slowly. Crops were down so the fruit was also very concentrated.

Winemaking: After picking we fermented in closed fermenters for 10 days between 25°C and 28°C, the wine was pumped over four times a day. It was then pressed off skins into stainless steel to complete malolactic fermentation in the late autumn. Following this, the wine was racked into French oak barrels for a year with an equal spread of new, 1, 2 and 3 year old oak.

Tasting note: Our Reserve Cabernet has an impenetrable black colour and is brimming with crushed blackcurrant and blackberry fruit flavours enhanced by subtle eucalyptus and mint notes characteristic of this region. Hints of tobacco and sweet pepper are beautifully complemented by elegant French oak, creating an intense wine that has a long and persistent finish.

Region: Coonawarra

Wine Analysis: Alcohol: 13.75% pH: 3.48
TA: 7.21 g/l RS: 5.20 g/l

Style: Dry, full bodied
