TROPHY & TOP 100 WINNER

"THE TED RADKE PERPETUAL TROPHY"

SYDNEY INTERNATIONAL WINE COMPETITION

This is an exceptional result for our Metal Label Vermentino! We are thrilled to be chosen as the best Vermentino and the best table wine made from a lesser recognised grape variety! As Vermentino is perfect for our climate it is one of the varieties we are particularly excited about nurturing, watching it grow and finding its place in the market. The Vermentino is looking fantastic with fresh and delicate flavours of citrus and pear with hints of lychee and kiwi fruit, with good depth of flavour and crisp acidity.
