BERTON RESERVE 2016 BAROSSA SHIRAZ

“The Berton Vineyard Reserve range brings together wines from regions that due to their distinct climate and soil have excelled at producing particular varieties..”

Vineyard and Vintage

Good winter rainfall filled the dams and topped up the sub soil moisture profile setting up for a perfect start to the 2016 growing season. Budburst was early with most varieties due to the above average temperatures and leading onto the mild conditions no frost damage occurred. The warmer conditions continued throughout December and into January. The above average warmer conditions prevailed through February, with minimal disease pressure on the reds. Hot dry conditions continued from early February right through to the end of April which accelerated ripening on all red varieties.

Winemaking

Fermented in ganamede fermenters on premium French oak for 8 days until dry, each parcel of wine was then pressed and clarified via centrifuge. Once fermentation was complete, each parcel of wines was clarified via centrifuge into stainless steel storage. The parcels then put into new and used French & American oak barrels for approximately 16 months. We then barrel selected only the best parcels of of the shiraz and looked at several different blends over numerous days until we worked our way to this amazing blend which we are very proud to present.

Tasting note

Impenetrable black in colour with a youthful and vibrant purple hue's. The aromas are powerful and complex with a wealth of fruit ranging from ripe black cherries and blackberries with hints of white pepper and spice. The rich and harmonious palate displays soft flavours of blackberry and chocolate. These abundant flavours are underpinned by fine French oak and defined by exotic spicy tannins.
