## FOUNDSTONE 2017 PINOT GRIGIO

*The first wines that we ever made were released under this label, so these wines are very special to us.*

**Vineyard and Vintage:** A mild summer and cool nights resulted in a long ripening period and good fresh fruit flavours in most white varieties. In the vineyard, flavour ripeness came well before sugar levels were achieved.

**Winemaking:** The grapes for this wine are sourced from a single vineyard. This vineyard has produced consistent quality fruit and this Pinot Grigio is a testament to this. Soil type of the vineyard would be classified as a sandy loam with a clay subsoil thus helping to retain moisture in the warmer summer months minimising vine water stress. The grapes were night harvested to avoid the heat of summer here in early February. There was no preservative added during harvest so we could oxidate out any bitter tannins and red colour imparted to the juice from the skins. Crushed and de-stemmed to press and clarified as quickly as possible, and inoculating the juice with our selected yeast strain so as to initiate fermentation as soon as possible from time of harvest. Fermentation was carried out at 14 degree C and the wine allowed to stand on lees for two month before it was racked, filtered and chilled and then bottled in early July 2017.

**Tasting note:** The Foundstone Pinot Grigio displays subtle aromas of apple, pear and citrus. The palate is crisp and refreshing with tingly acidity and flavours of lemon, pear and kiwifruit which combine to give the palate good length and intensity.

**Region:** South Eastern Australia

**Wine Analysis:** Alcohol: 11.60%      pH: 3.20  
TA: 7.99 g/l                              RS: 2.30 g/l

**Style:** Dry, light bodied.

**Food Match:** Enjoy as an aperitif or with tossed green salads.

**Cellaring:** This wine has been made to drink now and will cellar for 2 years.
