## CABERNET SAUVIGNON 2021

**Winemaking** Vintage 2021 has proven to be a standout vintage for most red varieties. Throughout budburst and ripening the Riverina region was experiencing cool mild conditions and we were lucky to get good rainfall to top up soil moisture levels. Harvested between late February and mid-March, this Cabernet Sauvignon was destemmed, crushed and transferred straight to ferment, maintaining temperatures of around 24-26° to maximise colour and tannin extraction. Fermented in stainless steel with French oak chips, this wine is pressed at 1 baume and left to ferment until dry. Malolactic fermentation is commenced after racking off gross lees. Once secondary fermentation was complete each parcel was then centrifuged onto premium French oak staves. Post oak maturation, each parcel is then cold stabilised, blended, filtered and stored in stainless steel until bottling.

**Tasting note** This fragrant Cabernet Sauvignon offers abundant aromas of dark cherry, blood plums and blackberry. The palate is medium bodied with soft tannins offering generous dark fruit flavours complemented by subtle oak.

**Region** South Eastern Australia

**Wine Analysis** Alcohol: 14.00%      pH: 3.46  
TA: 7.12 g/l                      RS: 3.5 g/l

**Style** Semi dry, full bodied

**Food Match** Best enjoyed with roasted lamb, seasoned duck or rich tomato pasta dishes.

**Cellaring** This wine has been made to drink now but will cellar for 2 years.
