

FINE AUSTRALIAN WINES

FOUNDSTONE

PINOT GRIGIO 2023

- Winemaking** 2023 Foundstone Pinot Grigio heralds from the grape growing regions of the Riverina and Murray Darling. After meticulous attention in the vineyard, fruit flavours were at an optimum and physiological ripeness was achieved, the parcels were harvested in the cool of the night during the months of February and March and delivered to the winery for processing. Fermentation was undertaken in stainless steel vats, using several yeast strains selected to elevate aromatics and promote mouthfeel. Upon completion, the parcels spent a short time on sur lie before blending, clarification, stabilisation, and bottling.
- Tasting note** Displaying lifted aromas of freshly cut lime and poached pear, leading to a zesty palate of granny smith apple, nashi fruit, lemon grass and juicy acidity.
- Region** South Eastern Australia
- Wine Analysis** Alcohol: 12.4% pH: 3.19
TA: 6.3 g/l RS: 2.4 g/l
- Style** Deliciously aromatic, light bodied, crisp and dry.
- Food Match** Delightful as an aperitif, that also pairs wonderfully with Sashimi or a Waldorf Salad.
- Cellaring** This wine has been made to drink now and will cellar for 2 years.
