Berton Vineyards is thrilled to announce that we have been awarded the prestigious trophy for Best Sweet White Wine at the National Wine Show of Australia 2024 for the second year in a row. This remarkable achievement underscores our commitment to excellence and our passion for producing world-class wines.

In an extra special moment, the award was presented by Prime Minister Anthony Albanese in Canberra, ACT, adding a distinguished honour to this achievement. The National Wine Show of Australia is renowned for its rigorous judging process and high standards, making this consecutive win a testament to the exceptional quality and consistency of our wines. This accolade is particularly significant as it highlights the dedication and hard work of our entire team, from the vineyard to the winery.

Adding to this honour, our 2019 Botrytis Semillon has now won an impressive total of 24 medals, including 4 trophies and 6 gold medals. These accolades reflect the exceptional quality and craftsmanship that go into every bottle we produce.

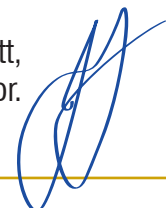

"We are incredibly honoured to receive The best sweet white wine trophy for the second consecutive year," said Jamie Bennett, Managing Director at Berton Vineyards.

"This award is a reflection of our team's hard work and commitment, and it is gratifying to see our efforts recognized on such a prestigious platform, especially with the presentation by Prime Minister Anthony Albanese. The continued success of our 2019 Botrytis Semillon, in particular, is a testament to the excellence we strive for in all our wines and marks a great achievement for the local area."

Our award-winning sweet white wine continues to captivate wine enthusiasts and critics alike with its perfect balance of sweetness, acidity, and vibrant flavors.
