

BERTON VINEYARDS

FOUNDSTONE CABERNET SAUVIGNON

The first wines that we ever made were released under this label, so these wines are very special to us. Now, years later, we still take pride in selecting our fruit from the same vineyards and producing wines that are consistently full of flavour and made so they are ready to drink now. The Foundstone Cabernet Sauvignon has deep youthful crimson and mauve hues. The palate is medium bodied with soft tannins offering generous dark fruit flavours complemented by a dusty oak finish.

Winemaker: James Ceccato

Food Match: Best enjoyed with roasted lamb, seasoned duck or rich tomato pasta dishes.

Cellaring: This wine has been made to drink now but will cellar for 2 years.
