What Huon thinks...

Very deep, dark, saturated black/purple colour. The aromas are concentrated and raw, simple fruit-driven and bold, prune and plum juice, also herbal. Charred oak came up later. It's very bold and big-boned, a hefty wine with concentrated flavour and abundant tannin. Stacks of flavour and fruit-sweetness backed by big structure. A solid, impressive red, albeit without much detail. It needs time. At this price, it's extraordinary value! 22/5/2017
