### Berton Vineyards Metal Label The Vermentino 2017

December 24, 2017 · by vinonotebook · in Tasting Notes.

**Silver at the Australian Alternative Varieties wine show for this year too.**

The wine pours as a light gold colour. A hint of brine and chalk underneath blanket of light tropical fruit and lemon pith aromas. Very clean and precise palate of pleasant light lemon drop and starfruit (carambola) with a patient, chalky mouth-feel. Excellent value and punches well above its price range/weight.

**RRP:** \$12

**Alc:** 12%

**Rating:** 17.5/20
