

BERTON VINEYARDS

FOUNDSTONE ROSÉ

The first wines that we ever made were released under this label, so these wines are very special to us. Now, years later, we still take pride in selecting our fruit from the same vineyards and producing wines that are consistently full of flavour and made so they are ready to drink now. The Foundstone Rosé has lifted aromas of cranberry, pomegranate and apple blossom. The fine and vibrant palate lingers with cherry, mulberry and sweet raspberry notes that are beautifully balanced by a crisp acidity.

Winemaker: James Ceccato

Food Match: Enjoy with fresh sushi or seafood dishes.

Cellaring: This wine has been made to drink now but will cellar for 2 years.
