

SAUVIGNON BLANC

This Sauvignon Blanc has been specially selected from cool climate South Australian fruit. Pale straw with hues of green, this Sauvignon Blanc displays aromas of green asparagus, gooseberry and fruit salad with underlying tropical notes. The palate displays crisp snow pea with hints of passionfruit and mouthwatering acidity which adds structure and depth to the long lingering finish.

Winemaker: James Ceccato

Food Match: Enjoy with friends over a grilled fish dishes, but it is also delicious on its own.

Cellaring: This wine has been made to drink now with cellaring potential.
