

## 2018 World Value Wine Challenge

Our Berton Metal Label The Black Shiraz was voted #1

# 95 points “Exceptional”

In October 2018, Tastings.com’s top wine critics tasted 474 wines under \$19.99 over the span of a week. Focused on value, our 2017 Berton Metal Label The Black Shiraz (\$14.99) took 1st place and even beat out every \$15-\$20 wine submitted.

*“A perfectly Oz tribute to St. Joseph, with absolutely pristine acidity and length that reflects the limestone soils, and will age beautifully.”*

In addition to ranking first overall, our other Berton Metal Label wines were also very well received.
