2023

Full results from The Global Syrah Masters 2023 have been released, revealing an impressive win for Berton Vineyards, with results in the Master and Gold medal categories.

The Global Syrah Masters is run by The Drinks Business Awards and comprises a judging panel of Masters of Wine, Master Sommeliers and senior buyers making the competition globally renowned. From Northern Rhône to the Barossa Valley of Australia, Syrah's style and flavour profile vary dramatically depending on where it's grown, making this an incredibly diverse competition.

The Drinks Business is trusted internationally for its rigorous judging process.

The competitions top accolade, the Master award, was awarded to only a handful of wines – including Berton Vineyards Metal Label 2020 The Black Shiraz Limited Release.

Our Berton Vineyards 2020 The Bonsai was also worthy of top marks, scoring a gold medal. We are pleased to announce these results following last years two gold medal wins for the Global Syrah Masters 2022 for our Reserve and Limited Release Black Shiraz.
