## FOUNDSTONE 2018 PINOT GRIGIO

“The first wines that we ever made were released under the Foundstone label, so these wines are very special to us.”

**Vineyard and Vintage** In the vineyard a warm dry summer provided a clean and disease free vintage with great ripening conditions across all regions. Despite some hot days, extended heat waves didn't play a role through the growing season with little berry shrivel occurrence in white varieties. Unfortunately some of our South Australian vineyards suffered from spring frost damage with significant yield loss. Come harvest however quality of fruit didn't seem to be affected.

**Winemaking** Harvest of our local Pinot Grigio blocks occurred in the cool of the night to avoid the summer heat. Fruit was destemmed and chilled to our bag presses before the resultant juice underwent oxidative treatment to remove any bitter tannin and red colour imparted by the Pinot Grigio grapes' red skins. Clarification and yeast inoculation occurred shortly after harvest with fermentation starting within 48 hours. The juice underwent a slow fermentation at cool temperatures of 14 – 16C. After a short period on yeast lees the wine was blended, stabilised and filtered for bottling in showcasing its fresh regional and varietal fruit flavours.

**Tasting note** This Pinot Grigio displays subtle aromas of freshly cut lime and pear. The palate reveals flavours of white peach, nashi pear and lemon grass which combine with grapefruit acidity to provide good length and intensity.

**Region** Riverina (SEA)

**Wine Analysis** Alcohol: 12.50%      pH: 3.24  
TA: 7.56 g/l      RS: 2.00 g/l

**Style** Dry, light bodied.

**Food Match** Great accompaniment to fresh seafood, poultry or white meat dishes.

**Cellaring** Drink now or ability to cellar for 2 years.
