

BERTON VINEYARDS

FOUNDSTONE 2018 SAUVIGNON BLANC

“The first wines that we ever made were released under the Foundstone label, so these wines are very special to us.”

Vineyard and Vintage In the vineyard a warm dry summer provided a clean and disease free vintage with great ripening conditions across all regions. Despite some hot days, extended heat waves didn't play a role through the growing season with little berry shrivel occurrence in white varieties. No rain during harvest meant we were able to pick our whites at optimal baume and fruit ripeness.

Winemaking The Sauvignon Blanc was harvested in the cool of the night, and crushed, destemmed, chilled and pressed immediately. The resultant juice from pressing is clarified before a slow fermentation at cool temperatures of 14 – 16C using a carefully selected yeast to optimise varietal expression. The cooler temperatures help to retain the fresh and light Sauvignon Blanc aromas and flavours. After fermentation the wine is filtered and blended for bottling as quickly as possible to maintain freshness.

Tasting note This fresh Sauvignon Blanc displays dominant aromas of freshly squeezed lime and grassy notes with hints of green capsicum. Sweet lemon and lime flavours bring softness to the palate while hints of snow peas add a savoury aspect with a long crisp finish.

Region Riverina & Padthaway

Wine Analysis Alcohol: 12.00% pH: 3.30
TA: 7.40 g/l RS: 2.00 g/l

Style Dry, light and refreshing
