CLASSIC CHARDONNAY 2020

Winemaking Our 2020 Metal Chardonnay is a blend of grapes from two different regions, Cowra and Padthaway, over 900kms apart. Harvest timing was carefully determined by flavour development, sugar and acid levels and took place in the cool of the night. Fruit was destemmed and chilled to bag press where it underwent a gentle press cycle and the free run juice separated for these parcels. The resultant juice was lightly clarified before undergoing a slow fermentation at cool temperatures of 14° – 16°C using carefully selected yeast in optimising varietal expression. Prior to blending and bottling, the wines underwent an extended period of 3 months on yeast lees and time in premium French oak puncheons.

Tasting note A fresh cool climate Chardonnay, this wine pulls together quenching citrus flavours and delicate French oak. The bouquet is filled with aromas of grapefruit, pineapple and white rose which carry to the palate along with nuances of lemon slice and cashew. The wine finishes soft and creamy with lingering notes of zest and vanillin.

Region Cowra, NSW and Padthaway, SA
