## THE VERMENTINO 2020

**Winemaking** Fruit is from two blocks of the same vineyard in the Riverland which ripen at different times, due to vineyard management and pruning regime – one block harvested at the end of February and the other about ten days later. The blocks were fermented separately due to very different flavour profiles. For both parcels, the free-run juice was lightly clarified before a slow fermentation at cool temperatures of 14 – 16°C using a carefully selected yeast to optimise varietal expression. After a short period on yeast lees the parcels were blended, stabilised and filtered for bottling, thus showcasing fresh varietal fruit flavours.

**Tasting note** Pale lime in colour with silver hues. Fresh aromas of green apple and lemon sherbet leads into a crisp and fruity palate. Lush flavours of lime, pineapple and honeydew melon flourish with crisp acidity providing a mineral aspect to the long persistent finish.

**Region** Riverland (SEA)

**Wine Analysis** Alcohol: 12.8%                      pH: 3.06  
TA: 7.27g/l    RS: 1.9 g/l

**Style** Dry, Medium bodied.

**Food Match** Enjoy with light entrée dishes such as fried calamari, tempura prawns or tasty chicken wings.

**Cellaring** Best consumed in the next 1 – 2 years.
