

FINE AUSTRALIAN WINES

HEAD over HEELS

CHARDONNAY 2021

Winemaking The local Chardonnay selected for this wine is usually harvested a little earlier, making this fresh, crisp and fruit driven style. After harvesting, the fruit is crushed and chilled to our bag presses where gentle press cycles extract the juice. This juice is then lightly clarified and fermented in stainless steel tanks at low temperatures which assists in the production tropical fruit flavours and esters. After completion of ferment, the wine was left on yeast lees for an extended period, providing a creamy mouthfeel prior to filtration and bottling.

Tasting note Fresh aromas of peach and citrus with notes of vanilla and nutmeg carry through to a crisp palate. Flavours of peach, mango and mandarin feature upfront with nuances of vanilla and cream and a zesty acid line.
