# METAL LABEL

## ROSÉ 2021

**Winemaking** Our Metal label Rosé is made using local Shiraz grapes harvested early for this fruit driven and zippy style. The fruit was crushed and the free run juice immediately separated from our screw press in order to obtain it's bright colour and fresh fruit flavours. The juice was lightly fined and clarified before fermentation at 14-16 degrees. To showcase and maintain these fresh fruit characters following the completion of ferment, the wine was filtered and stored in temperature controlled stainless steel tank until bottling.

**Tasting note** This wine presents an aromatic bouquet of cherry, rose petal and strawberry cream notes. The palate is bursting with fruit; cherry, raspberry and pomegranate are complemented by floral and confectionary, zippy acidity and a crisp dry finish.

**Region** Riverina NSW

**Wine Analysis** Alcohol: 13.0%      pH: 3.16  
TA: 7.2 g/l                      RS: 1.3 g/l

**Style** Dry, light bodied.

**Food Match** Best enjoyed with an Artisan cheese platter.

**Cellaring** This wine has been made to drink now but will cellar for 2 years.
