Outback Jack

2019 CHARDONNAY

“We called our wine Outback Jack because these two words best represent Australia. The Outback speaks for itself and Jack is the quintessential Australian first name because it is clear and unpretentious – just like our wine. If you like crisp, unpretentious wines that are full of character then this is the wine for you”

Vineyard and Vintage	A dry start to the season continued right through to harvest in most regions which made for little to no disease issues. Early season temperatures were mild until January saw extreme heat waves for most of South East Australia and supplementary water was crucial in maintaining vine health and crop protection. Despite the seasons' challenges, wine quality from the vintage has been excellent.
Winemaking	Harvested in the cool of night to retain freshness the resulting chardonnay juice is fermented slowly at temperatures of 14-16°C on lightly toasted French oak. The wine then underwent a short period of maturation on yeast lees that provides a soft creamy texture.
Tasting note	Our Outback Jack Chardonnay is light yet creamy with tropical flavours of peach, pineapple and citrus, leading to a long and satisfying finish. This wine is best enjoyed chilled and served with chicken dishes or simply on its own.
