

BERTON VINEYARDS

FOUNDSTONE MERLOT

The first wines that we ever made were released under this label, so these wines are very special to us. Now, years later, we still take pride in selecting our fruit from the same vineyards and producing wines that are consistently full of flavour and made so they are ready to drink now.

The Foundstone captures the classic qualities of Merlot. It has a deep youthful colour, with expressive aromas of plums, blackberries and violet. The palate has a velvety texture with generous flavours of sour cherries, plums and fragrant herbs with a hint of vanillin oak.

Winemaker: James Ceccato

Food Match: Enjoy with mature cheeses or mushroom risotto.

Cellaring: This wine has been made to drink now but will cellar for 3 years.
